## AiRISTA Insights

### Getting Staff Buy-in for RTLS Projects

Whether in politics, business matters, or even family situations, getting the buy-in of stakeholders helps ensure that the change has its intended effect and is lasting. The same is true when introducing new technology to healthcare organizations. Without the buy-in of the various teams involved, projects will fail to deliver or even worse.

### What You Need to Know About Embedded Sensors, Location and IOT.

The IOT sensor market is growing at 24%, but pockets of innovation will see explosive growth. This is where big technology bets are being placed.
