\$5M+ in ROI Showcased with AiRISTA's RTLS in Action at Recent Tradeshows!

HIMSS 2025

What a show! Over three incredible days, we demonstrated how AiRISTA's Real-Time Location Services (RTLS) are delivering **over \$5 million in ROI** for healthcare organizations—highlighting the real-world value of

smarter, connected operations. We're excited to keep the momentum going and help more organizations harness the power of RTLS.

Here's what stood out:

- **Live Demos in Action** – From staff safety and asset tracking to temperature monitoring and patient flow, attendees saw firsthand how RTLS transforms daily operations.
- **Conversations That Matter** – We connected with healthcare leaders eager to embrace technology for better outcomes and greater efficiency.
- **Proven Results** – Our demonstrations underscored the measurable impact RTLS can have—improving workflows, cutting costs, and enhancing care delivery.

VIVE 2025 Healthcare Conference

VIVE 2025 was a fantastic opportunity to connect with forward-thinking healthcare leaders and showcase how AiRISTA's RTLS solutions are powering safer, smarter hospitals.

Key Moments:

- **Staff Safety on Display** – Our live demos showed how real-time duress alerts and location tracking can protect frontline workers.
- **Tech That Connects** – We highlighted seamless integration with existing systems, making RTLS adoption easier than ever.
- **Meaningful Engagement** – Thank you to everyone who stopped by to explore the impact of location intelligence on healthcare efficiency and safety.

What Is Indoor Tracking – And Why It Matters

Indoor tracking is quickly becoming a game-changer for operational efficiency across industries. In our latest blog, we break down what indoor tracking is, how RTLS enables precision and automation, and the key benefits for facilities from healthcare to manufacturing.

👉 Learn how indoor tracking can transform your operations.

Connect with AiRISTA

Welcome to the largest eHealth event in Scandinavia

May 19 · Opening Keynote
May 20–22 · Conference & Exhibition

en.vitalis.nu

VITALIS

Conference: Vitalis

Dates: May 19-22

Location: Gothenburg, Sweden

About: Vitalis is the largest eHealth event in Scandinavia, focusing on digital health, welfare technology and innovation. Here, the most important players within the public sector, academia, politics and industry come together with the shared aim of building their knowledge and improving tomorrow's healthcare. With 6100 participants, around 400 program sessions, and 200 exhibitors, Vitalis is an annual gathering for everyone who wants to contribute to shaping the future of healthcare.

Conference: AAMI Exchange

Dates: June 20-23

Location: New Orleans, LA

About: Join us for four days where the entire field of healthcare technology management comes together to learn, connect with peers, and showcase the latest innovations, upgrades, and advances in health technology—which is where you come in!
