Are you attending one of these events? If you'd like to schedule a time to meet with AiRISTA, 📍 [Contact us at salesinfo@airista.com](mailto:salesinfo@airista.com).

## NEW FEATURE: Persistent Alerts Now in AiRISTA's Sofia RTLS Platform

In critical environments, response time can mean everything. That's why AiRISTA has introduced **Persistent Alerts** in the Sofia platform—providing enhanced protection for staff in healthcare, education, and industrial settings.

- **Persistent Alerts screen-pop on any Sofia page** – No searching for alerts
- **Alerts stay active until acknowledged** – No missed notifications
- **Only authorized users can dismiss alerts** – Prevents accidental clearance
- **Designed for high-risk, high-priority duress situations**

Whether it's a nurse in distress or a staff member in a remote area, Sofia ensures immediate visibility and reliable response. Persistent alerts are available in Sofia version 7.2.7. Request a demo to learn more about persistent alerts and our Sofia platform.

## BLOG SPOTLIGHT: What Is a BLE Beacon, and Why Does It Matter?

BLE beacons are the quiet workhorses behind today's RTLS solutions. In our newest blog, we explain how these small devices are powering big improvements in location accuracy, efficiency, and visibility across your operations.

At AiRISTA, we leverage BLE beacon technology within our *Sofia RTLS platform* to deliver real-time insights that help organizations improve **staff safety, asset tracking, and workflow optimization**—without the need for heavy infrastructure investments. By utilizing existing BLE-enabled access points, AiRISTA enables cost-effective deployments that scale with your needs.

## Let's Keep the Momentum Going

Whether you connected with us at **ViVE**, **DMEA Berlin**, or **IDN Summit**, we're grateful for the conversations and collaborations. RTLS is changing how organizations operate—and AiRISTA is leading the way. Check out more details on the next locations you can connect with us:

## Welcome to the largest eHealth event in Scandinavia

May 19 · Opening Keynote

May 20-22 · Conference & Exhibition

[en.vitalis.nu](http://en.vitalis.nu)

VITALIS

**Conference:** Vitalis

**Dates:** May 19-22

**Location:** Gothenburg, Sweden

**About:** Vitalis is the largest eHealth event in Scandinavia, focusing on digital health, welfare technology and innovation. Here, the most important players within the public sector, academia, politics and industry come together with the shared aim of building their knowledge and improving tomorrow's healthcare. With 6100 participants, around 400 program sessions, and 200 exhibitors, Vitalis is an annual gathering for everyone who wants to contribute to shaping the future of healthcare.

**Conference:** AAMI Exchange

**Dates:** June 20-23

**Location:** New Orleans, LA

**About:** Join us for four days where the entire field of healthcare technology management comes together to learn, connect with peers, and showcase the latest innovations, upgrades, and advances in health technology—which is where you come in!

**Grow with Us: Discover Our Job Openings**

We're on an exciting growth journey as customers embrace our innovative, simplified approach to location-based services. If you're passionate about shaping the future and want to be part of a dynamic team, we're looking for talented individuals in Sales, Customer Service, Systems & Solutions Engineering, and Project Management!
